The Bellingham Bash Fastpitch Association is seeking your support to help provide a quality, competitive program for the upcoming season. Bash Fastpitch includes girls from ages 8-18 years old. We believe by providing these girls with an opportunity to participate and compete in a healthy activity, they will learn valuable life skills such as teamwork, discipline, competitiveness, hard work, goal setting and many, many more. Fastpitch is a sport where these girls will make friendships that will last a lifetime.

Your contribution will go toward needed team equipment, practice facility rentals, umpires, insurance, uniforms, tournament fees and player fees. Your support will make a difference in the level that these girls are able to compete at now and in the future.

Contributions of any size are encouraged and accepted. Contributions of \$100 or more will be recognized on our team banners.

Please make checks payable to Bellingham Bash Fastpitch Association
